

## **APPROVED FOREIGN TRANSCRIPT EVALUATION AGENCIES**

All transfer students from foreign institutions of higher learning will be required to have their educational credentials evaluated. Below is a list of agencies to contact. Possible transfer credits will be determined by NYIT after results of the course-by-course evaluation have been received.

**In some cases, graduate applicants may be required to submit an evaluation of credentials. This is determined by the Office of Graduate Admissions and/or the academic departments. The Office of Graduate Admissions will inform you of this requirement if it is necessary to complete your application.**

**NYIT's preferred evaluation agency is World Education Services, Inc.**
