1. Estimated total cost for the first year of the program is subject to change without notice. Total cost per year does not include tuition for additional courses. See <https://vancouver.nyit.edu/bursar> for updates.
2. Please note: All international students are automatically enrolled in temporary health insurance with Guard.Me. You will have health insurance coverage for approximately 4 months. Other temporary health insurance coverage cannot be substituted for this health insurance plan. At new student orientation, we will provide you with your Guard.Me coverage cards. If you need to access coverage before orientation, you can contact Guard.Me directly and they can assist you. If you have been living in British Columbia and are already enrolled in the Medical Services Plan (MSP), you can opt out of the temporary health insurance. Contact Vancouver.orientation@nyit.edu if you have any questions about health insurance.
